

We Welcome you to the Stella Maris Centre and our Coffee Shop, which is a community based project. Volunteers primarily staff the coffee shop, and in addition we now have four people employed under the Kilmore Quay Social Economy Project, a Programme aimed at supporting Employment and improving Community facilities.

**We Thank You For Supporting The Centre.**

**Social Economy Project Kilmore Quay**

We ask you to have a little patience with us if our service is not immediate as we cook to order whenever possible. If you are visiting Kilmore Quay, we hope you have an enjoyable stay. Reception has free information leaflets on the Nature Trails on and around Kilmore Quay.
